

## **Williamson Act Contract Application Instructions:**

Please type or use black ink when completing the application forms.

1. Please review the new Williamson Act regulations adopted by the Board of Supervisors in Resolution 106-04. The copy of the regulation (Exhibit A of Resolution 106-04) is for your records.
2. Fill out the Land Development Application (yellow form). Please fill out the areas that are marked with the boxes. The "Proposed Project" is to execute a new Williamson Act Land Conservation Contract. Please make sure to sign the bottom of the form. You may leave the back of the form blank.
3. Fill out the Agricultural Management Plan. This document is used to describe the agricultural, open space, or recreational use on your property that qualifies the property for the Williamson Act. If you do not know a previous contract number, Agricultural Preserve Number, or Resolution Number, you may leave these sections blank. Please fill out this form completely as possible. An Agricultural use should generate at least \$2000 gross per year.
4. Please provide a map of parcel(s) showing structures, ponds, wells, etc.

Please contact the Community Development Department at (209) 533-5633 if you have any questions regarding the application process. The Land Development Application and the Agricultural Management Plan can be returned to:

Community Development Department  
County of Tuolumne  
2 South Green Street  
Sonora, CA 95370
