Rebekah Rd

I, Gerald & Virginia Thiemann, own property located at (address[es]) 25175 Long Barn, California. In approximately August (or 2) of 2011, I paid what was called an "assessment" to the Odd Fellows Sierra Homeowners' Association for delivery of services such as water, sewer, garbage, electrical, telephone, gas, road maintenance, and use of a recreation area (even though I had not recorded CC&R's against my property to become a member of that organization) because for more than 25 years, the Odd Fellows Homeowners' Association received money from area lot owners for those express purposes by sending the collected funds to the Odd Fellows Sierra Recreation Association under a license and other agreements; for so long as I have owned my property, I entrusted my assessment money to the Odd Fellows Sierra Homeowners' Association to send it to the Odd Fellows Sierra Recreation Association for those services.

However, instead of the funds being sent to the Odd Fellows Sierra Recreation Association, the money I entrusted to Odd Fellows Sierra Homeowners' Association in 2011 was diverted from the purpose for which I paid it. Despite my efforts to have the money delivered from the Odd Fellows Sierra Homeowners' Association to the Odd Fellows Recreation Association, funds were diverted to other uses by individuals/directors of the Odd Fellows Homeowners' Association against my express entrustment. The directors of the Odd Fellows Homeowners' Association have now ceased operation without delivering or returning my funds.

I agree to Gloria Harvey and/or Yvonne Peter serving as a legal class representative to seek delivery to the Odd Fellows Sierra Recreation Association of my funds to pay for the services for which I entrusted my money. Those services are vital to the use and enjoyment of my property.

I declare under the penalty of perjury under the laws of the State of California that the foregoing is true and correct.

Preliminary Statement of Interest in Class Certification

I, Kim Guidice, own property located at (address[es]) 25045 Jordan Way E., California. In approximately August (or _____) of 2011, I paid what was called an "assessment" to the Odd Fellows Sierra Homeowners' Association for delivery of services such as water, sewer, garbage, electrical, telephone, gas, road maintenance, and use of a recreation area (even though I had not recorded CC&R's against my property to become a member of that organization) because for more than 25 years, the Odd Fellows Homeowners' Association received money from area lot owners for those express purposes by sending the collected funds to the Odd Fellows Sierra Recreation Association under a license and other agreements; for so long as I have owned my property, I entrusted my assessment money to the Odd Fellows Sierra Homeowners' Association to send it to the Odd Fellows Sierra Recreation Association for those services.

However, instead of the funds being sent to the Odd Fellows Sierra Recreation Association, the money I entrusted to Odd Fellows Sierra Homeowners' Association in 2011 was diverted from the purpose for which I paid it. Despite my efforts to have the money delivered from the Odd Fellows Sierra Homeowners' Association to the Odd Fellows Recreation Association, funds were diverted to other uses by individuals/directors of the Odd Fellows Homeowners' Association against my express entrustment. The directors of the Odd Fellows Homeowners' Association have now ceased operation without delivering or returning my funds.

I agree to ~~Gloria Harvey and/or Yvonne Peter serving as a legal class representative~~ to seek delivery to the Odd Fellows Sierra Recreation Association of my funds to pay for the services for which I entrusted my money. Those services are vital to the use and enjoyment of my property.

I declare under the penalty of perjury under the laws of the State of California that the foregoing is true and correct.

However, instead of the funds being sent to the Odd Fellows Sierra Recreation Association, the money I entrusted to Odd Fellows Sierra Homeowners' Association in 2011 was diverted from the purpose for which I paid it. Despite my efforts to have the money delivered from the Odd Fellows Sierra Homeowners' Association to the Odd Fellows Recreation Association, funds were diverted to other uses by individuals/directors of the Odd Fellows Homeowners' Association against my express entrustment. The directors of the Odd Fellows Homeowners' Association have now ceased operation without delivering or returning my funds.

I agree to Gloria Harvey and/or Yvonne Peter serving as a legal class representative to seek delivery to the Odd Fellows Sierra Recreation Association of my funds to pay for the services for which I entrusted my money. Those services are vital to the use and enjoyment of my property.

I declare under the penalty of perjury under the laws of the State of California that the foregoing is true and correct.

Preliminary Statement of Interest in Class Certification

I, Ronald W Sweet, own property located at (address[es]) 22388
Bearsheba Dr, California. In approximately August (or August) of
 2011, I paid what was called an "assessment" to the Odd Fellows Sierra Homeowners'
 Association for delivery of services such as water, sewer, garbage, electrical, telephone, gas,
 road maintenance, and use of a recreation area (even though I had not recorded CC&R's
 against my property to become a member of that organization) because for more than 25
 years, the Odd Fellows Homeowners' Association received money from area lot owners for
 those express purposes by sending the collected funds to the Odd Fellows Sierra Recreation
 Association under a license and other agreements; for so long as I have owned my property,
 I entrusted my assessment money to the Odd Fellows Sierra Homeowners' Association to
 send it to the Odd Fellows Sierra Recreation Association for those services.

However, instead of the funds being sent to the Odd Fellows Sierra Recreation
 Association, the money I entrusted to Odd Fellows Sierra Homeowners' Association in 2011
 was diverted from the purpose for which I paid it. Despite my efforts to have the money
 delivered from the Odd Fellows Sierra Homeowners' Association to the Odd Fellows
 Recreation Association, funds were diverted to other uses by individuals/directors of the
 Odd Fellows Homeowners' Association against my express entrustment. The directors of
 the Odd Fellows Homeowners' Association have now ceased operation without delivering
 or returning my funds.

I agree to Gloria Harvey and/or Yvonne Peter serving as a legal class representative
 to seek delivery to the Odd Fellows Sierra Recreation Association of my funds to pay for the
 services for which I entrusted my money. Those services are vital to the use and enjoyment
 of my property.

I declare under the penalty of perjury under the laws of the State of California that the
 foregoing is true and correct.
