REQUEST
By AL 1, SPWC requests authority to establish its tariff book with the enclosed tariff sheets per CA Public Utilities Commission (CPUC) Decision (D.)16-01-047, Order No. 6.

BACKGROUND
SPWC filed Application 13-09-023 that resulted in D.16-01-047 issued on January 29, 2016. D.16-01-047 authorized SPWC a Certificate of Public Convenience and Necessity. AL 1 is filed to comply with D.16-01-047, Order No. 6:

"6. Sierra Park Water Company, Inc. (Water Company) must implement tariffs to adopt the test year revenue requirement and rates as calculated in the Division of Water and Audits Staff Report (Attachment A to this decision). Water Company must file a Tier 1 advice letter within 60 days of the effective date of this decision that add tariff sheets to:

a. implement adopted rates;
b. refund bill credits as ordered in Ordering Paragraph 3 and collect surcharges as ordered in Ordering Paragraph 4. In documenting the refunds, the Water Company must redact the public version and file a confidential version of the advice letter under seal to the extent it believes necessary so that it does not disclose customer specific information;
c. include a service-area map;
d. incorporate the standard tariff rules; and

e. incorporate into preliminary statement a description of the memorandum account authorized to track costs and surcharge revenues associated with retaining an engineering consultant.

TIER DESIGNATION AND REQUESTED EFFECTIVE DATE
AL 1 and the enclosed tariff sheets are submitted pursuant to General Order (GO.) 96-B, Water Industry Rules. AL 1 is designated as a Tier 1 AL and the enclosed tariff sheets will become effective on April 4, 2016.

NOTICE
A copy of this AL has been served to all parties listed on the service list. This filing will not cause withdrawal of service nor conflict with any other schedule or rule.

RESPONSE OR PROTEST

Anyone may respond to or protest this AL. A response supports the filing and may contain information that proves useful to the Commission in evaluating the AL. A protest objects to the AL in whole or in part and must set forth the specific grounds on which it is based. These grounds are:

1. The utility did not properly serve or give notice of the AL;
2. The relief requested in the AL would violate statute or Commission order, or is not authorized by statute or Commission order on which the utility relies;
3. The analysis, calculations, or data in the AL contain material error or omissions;
4. The relief requested in the AL is pending before the Commission in a formal proceeding; or
5. The relief requested in the AL requires consideration in a formal hearing, or is otherwise inappropriate for the AL process; or
6. The relief requested in the AL is unjust, unreasonable, or discriminatory, provided that such a protest may not be made where it would require relitigating a prior order of the Commission.

A protest may not rely on policy objections to an AL where the relief requested in the AL follows rules or directions established by statute or Commission order applicable to the utility.

A protest shall provide citations or proofs where available to allow staff to properly consider the protest. DWA must receive a response or protest via email (or postal mail) within 20 days of the date the AL is filed. The addresses for submitting a response or protest are:

Email Address: Water.Division@cpuc.ca.gov
Mailing Address: California Public Utilities Commission
Water Division, 3rd Floor
505 Van Ness Avenue
San Francisco, CA 94102

On the same day the response or protest is submitted to DWA, the respondent or protestant shall send a copy of the protest to Sierra Park Water Company at:

Email Address: kirk.knudsen@creationtech.com
Mailing Address: P.O. Box 424
Miwuk Village, CA 95346

3 GO. 96-B, General Rule 7.4.1
Cities and counties that need Board of Supervisors or Board of Commissioners approval to protest should inform DWA, within the 20 day protest period, so that a late filed protest can be entertained. The informing document should include an estimate of the date the proposed protest might be voted on.

REPLIES
The utility shall reply to each protest and may reply to any response. Any reply must be received by DWA within five business days after the end of the protest period, and shall be served on the same day on each person who filed the protest or response to the AL.
