GOOD NEWS!

After three years of working with the California Public Utilities Commission, perseverance prevailed for Sierra Park Water Company, O.F.S.R.A. and you the property owner. The P.U.C. *Decision Resolving The Complaint And Authorizing A Certificate Of Public Convenience And Necessity As Modified* has been received and Sierra Park Water Company is in the process of becoming a public utility. Not surprisingly, the complainants didn't get the \$54.95 annual water rate they claimed was fair, but instead were blessed with a \$514.00 water rate fee for fiscal year 2012-2013. Since O.F.S.R.A.'s billing for water was \$571.60 for fiscal year 2012-2013, O.F.S.R.A. is refunding \$57.60 to the paid property owners. This will be prorated over the next five years and reflected in the next twenty quarterly statements issued by Sierra Park Water Company.

We have started the process of transferring assets over to Sierra Park Water Company. We look forward to completing the process in the near future.

In the meantime, don't forget the 2016 Annual Meeting being held On May 28th. Sign in at 9:30 a.m. in the Rec Hall.

Enjoy the rest of winter.

Del Wallis
