

The monthly meeting of the Board of Directors of the Odd Fellows Sierra Recreation Association was called to order at 10:00 A.M. with the following members present: William Greeno, Arthur Reichenbach, William McClintock, Herman Wood and W. C. Patterson.

The minutes of the meeting September 9th were read and approved as read.

COMMITTEE REPORTS: Reichenbach reported that he had been unable to contact anyone regarding garbage removal and that the trailer situation had been resolved. He also stated that he had been unable to contact Celini regarding the repairs to the water tanks. Herman Wood had no report on the proposed road to the garbage dump.

UNFINISHED BUSINESS: Greeno reported that the Equipment Building had been completed and had the final inspection.

NEW BUSINESS: It was moved and carried that Harold Clements be requested to keep the road open to the Recreation Hall this winter as he has done in the past. A ceiling of \$300.00 was placed upon this snow removal.

It was moved and carried that the spring over the hill from the garbage dump be abandoned as the cost of bringing the water to the Park was prohibitive for the amount of water available.

It was moved and carried that the bills be paid.

The next meeting will be held at the home of W. C. Patterson on November 14th.

Respectfully submitted,

W. C. Patterson
